

## **T.M. “Roe” Patterson**

### *President and CEO of Basic Energy Services*

T. M. “Roe” Patterson is a 22-year industry veteran in the oil and gas services business. He was promoted to President and Chief Executive Officer of Basic Energy Services (“Basic”) in September 2013 and was recognized as the Top Public Company CEO by the Fort Worth Business Press for 2014. Prior to his recent appointment, he served as the company’s Senior Vice President and Chief Operating Officer from 2011 to 2013. Patterson began his tenure at Basic in 2006 and has held multiple positions in executive leadership since joining the company. Patterson’s roots are grounded in the oil and gas business. He grew up working for his father in the family’s business, Patterson Drilling Company. After earning a Bachelor of Science degree from Texas Tech University, Patterson joined West Texas Caterpillar for a year before rejoining Patterson Drilling Company as a Contract/Sales Manager for its Permian Basin Division. After four years he left Patterson to form his own manufacturing and oilfield service company, TMP Companies, Inc., until he sold out in late 2005 and joined Basic’s management team in 2006.

Roe and Tonya Patterson have 2 children and reside in Fort Worth where they are active in their local church and community. Roe serves on the Tarrant County American Heart Association Board and he and Tonya were co-chairs of the AHA Heart Ball in 2016. They also co-chaired the 2017 North Texas Alzheimer’s Association Memory Gala in Fort Worth.
